END OF TERM NEWSLETTER

25th July, 2018.

Dear Esteemed Parents,

We are grateful to God for His mercies and grace in seeing us through to the end of the Summer Term. We have come to the end of yet another full and busy term with our pupils excelling in all areas of school life.

Special thanks to all our parents for their undying love and support during this term. We value your calls, e-mails and personal visits; they have helped in deciding future policies.

We also thank the Directors, the Management and Staff of King's Kids Christian Montessori School, for their undying love, hard work and dedication to the school and pupils in interpreting and putting to practice the tedious yet engaging, robust, practical and interesting Montessori curriculum which is our core strength. The Montessori curriculum which encompasses the five broad areas of; Practical Life, Sensorial, Mathematics, Language and Cultural Studies groom and prepare a child in a holistic way to face the challenges of grade, secondary and tertiary education with confidence and high degree of independence. May the good Lord continue to bless and empower you more.

END OF TERM/RESUMPTION

The Summer Term (3rd Term) which commenced on April 23rd, 2018 ends today. The Christmas Term (1st Term) begins on Monday 17th September, 2018. All pupils are expected to resume on this day as lessons will resume same day. We strongly encourage our parents to help inculcate in our children the culture of compliance with rules.

SUMMER LESSONS

The school will be organizing summer lessons in Academics, Vocational and Christian Lifestyle Education. This is to assist very busy parents and to assist pupils in using out of school time productively. YOUNG CODERS' CLUB

Coding is one of the most popular words in the world today. This is because it cuts across every sector of human endeavor and is very useful and needed in every field. With coding you can create softwares, build mobile apps, develop computer games and build websites. Web developers are using coding to solve problems in the world today. Facebook, Twitter, Google, Microsoft, Uber, Mobile Banking and many more are solutions brought about by coding.

To be able to code, you need to understand the languages of coding, like HTML, CSS, Java script, PHP, LA ravel, to mention but a few. Our goal is to equip our students with global mindsets so that they can harness the power of coding and use it to build global businesses like Facebook, Twitter, Uber, etc.

African Jack Ma, Mark Zuckerberg or Bill Gates must come from King's Kids Christian Montessori School. This is our dream! Participation fee is ₦ 3,000 per term while the textbook is ₦ 2,500.

BUS SERVICE

The school runs a bus service. It covers different routes in Uyo. Interested parents should please contact the school for more information.
